The American Numismatic Society  
155 Street and Broadway  
New York City.

Gentlemen:

Possibly you may be interested to purchase two Medals  
owned by me:

A silver Medal presented to Doctor John A. Kearney, Surgeon  
United States Navy, who served upon the frigate "Constitution" - 1813  
1815, "in testimony of the high sence entertained of his good conduct  
and services in the capture of the British vessels of war 'Cyane' and  
'Levant' after a brave and skillful combat." Medal is inscribed:  
" Presented by the President to Doctor John A. Kearney in compliance  
with a resolution of the Congress of the United States." Price: \$150.

(I have also the Doctor's Sword should this be of interest to your  
Society)

A Bronze Medal, also belonging to Doctor Kearney but unin-  
scribed. This is the Edward Preble Medal given after the storming  
of the forts at Tripoli. Price: \$40.00

Should you be interested I shall be glad to send you the  
Medals for your consideration.

For the next two weeks I shall be in Washington, D.C., where  
my address is the Metropolitan Club.

Very truly yours,

*Alfred F. Hopkins*
